If your waste fits in our truck, and can be safely loaded by two people, we'll take it! Our rates include disposal and recycling fees and one hour of labor for a 1-2 person crew to load and sort. In the unlikely event it takes more than an hour, we will bill by the hour at \$55/hr per employee.

PLEASE BE AWARE that we are unable to accept any hazardous, or potentially harmful products or materials, including but not limited to items such as paint, chemicals, and items containing excessive mold.
